**DEFENDANTS' MOTION TO FILE UNDER SEAL OPPOSITION TO
NAS PLAINTIFFS' MOTION FOR CLASS CERTIFICATION
AND ACCOMPANYING EXHIBITS**

Defendants respectfully move this Court for leave to file under seal unredacted versions of their Opposition to NAS Plaintiffs' Motion for Class Certification and selected exhibits attached thereto.²

Prior to filing the Opposition brief and exhibits, Defendants contacted Special Master Cohen regarding the proper procedure for filing documents containing potentially confidential information, including Plaintiffs' personal and medical information. Ex. A. Special Master

¹ Defendants list *Salmons* here because it is included in the caption of Plaintiffs' Motion, even though no plaintiff in *Salmons* is proposed as a representative of any class.
